Paper Bag Kite

Cut out the bottom of the bag.
Fold down the sides, and make the bag flat.

Turn the bag over.
Place a mark 1/3 down, and the center lengthwise.
Draw lines to the corners.
Cut along the lines to make 4 pieces.

Tape wings to bag.

*Taken from Boy Scouts of America Advancement Book.*
Turn the bag over.
Tape the wings and the folded ? to the front.
Put tape on the wing edges for strength.
Punch holes in the wings for string.
Cut out the vent. Attach 1st string to both wings. Attach 2nd string to the center of the 1st string.
